Dear Warwick Road Primary School,

Thanks for being a case study for our Breakfast Club media story. It was lovely working with Warwick Road Primary School.

We want to continue to raise awareness of the benefits Breakfast Clubs give the children who attend, so being able to use examples of school's that run these important clubs is really valuable.

To show our appreciation and to support your breakfast club, please find enclosed £25 voucher to spend on Kellogg's cereal.

Should there be any opportunities to showcase the fabulous work your club does in the future, we will be in touch to discuss. Also, please do get in touch with us to share your news.

Best wishes,

The Breakfast Club UK team
