Message from the Headteacher

Welcome back after the summer break. I'm sure parents and children alike have had plenty of time to rest and enjoy the days of sunshine that we've had.

As you may have noticed we have been having some building work done over the summer. The work to the school roof is not yet complete, it is expected that this work will be finished in October 2015; this will mean that the bottom entrance to school will remain out of bounds and parents will be expected to use the Howard Street entrance until further notice.

I am happy to say that the classroom renovations are now complete and the classes look amazing. Parents will have a chance to view the new classrooms during the Parents Meetings over the coming weeks.

Uniform

All children should be in the correct uniform. Smart attire reflects the image we want to portray for our school, a disciplined school where the community works hard to ensure the best outcomes for the children.

I will be personally speaking to parents if children do not have the correct uniform on. Please note, this includes socks too, they need to be plain white, black or grey.

School Priorities 2015-16

Our main school priorities this year will be to ensure children achieve the new national standard that has been set by the government. In addition we will be focusing on developing reading skills with particular reference to understanding challenging texts.

As a school we are very lucky to have parents and carers who care deeply about their children's academic performance and work with school to ensure the best outcomes. I am sure we can continue to develop this partnership further.

Eid Celebrations

Monday 21st September: 3:30-6:00 - Eid Extravaganza and Eid Lunch

Friday 25th September – Non uniform day, Eid assembly and Eid parties

Monday 28th September – Pantomime in the hall: The Hobbit
