Swimming Staff **Gill Moins and Beverly Thackray**

To assist you in your requirement to complete the “Evidencing the impact of your Primary PE and Sport Premium- Website Reporting Tool” Please see below your statistics for your Year 6 pupils for 2017- You will appreciate that some schools have a target year of Year 3 or Year 4 so could be significantly out of date ie pupils who have learnt to swim since or pupils who just achieve the attainment target but have not been in a pool since and as they have left your school difficult to determine his year- this will be the same nationally but something to consider for the future.

<b>Meeting national curriculum requirements for swimming and water safety</b>	<b>Please complete all of the below:</b>
What percentage of your Year 6 pupils could swim competently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	<b>63%</b> <b>6 Non swimmers</b>
What percentage of your Year 6 pupils could use a range of strokes effectively (for example, front crawl, backstroke and breaststroke) when they left your primary school at the end of last academic year?	<b>0%</b>
What percentage of your Year 6 pupils could perform safe self-rescue in different water- based situations when they left your primary school at the end of last academic year?	<b>All children took part in water safety lesson.</b>
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	<b>Yes/No</b>
