

GOVERNORS CHARTER 2018 2019

This is a set of expectations that members of the governing body of Warwick Rd School have agreed to endeavour to meet in their role.

Governors should be active members of the school community and instrumental in both supporting and driving forward improvements- this charter will help us to do.

- All governors agree to conduct themselves in a professional manner and ensure all information shared in meetings is confidential.
- All governors will attend every full governing body meeting or send apologies.(non-attendance will be reviewed by the governing body at each meeting and failure to attend two meetings concurrently may mean that membership is questioned).
- All governors will be members of at least one committee and will attend the appropriate meetings every term.
- All governors will take on responsibility for one of the priorities identified in the school improvement plan.
- All governors will meet with appropriate members of staff at least once per half term relating to their priority and feedback progress to the rest of the governors.
- Governors will visit school at least once per term and feedback to governors.
- Governors will attend at least one pupil performance or event throughout the school year.
- Governors will attend at least one fund raising event throughout the year.
- All governors will seek out training to enable them to carry out their roles more effectively
