

EXCEEDING EXPECTATIONS

6 March 2019

Dear Parent/Guardian,

We are excited to inform you that we will be starting a Coding Club on Monday 11 March. The session will start from 3pm to 4pm and pupils will need to be collected by an adult from the Main Entrance at 4pm prompt. The club is for Year 5 pupils only. The session will be run by myself and will take place in the Computing Suite. The children will be supervised at all times whilst using the computers.

Code Club is a global network of free coding clubs 9-13 year olds. At Code Club children have the opportunity to learn to code through a wide range of exciting online coding projects. You can find out more about Code Club at <https://codeclub.org>.

If you wish your child to attend, please return the reply slip below by Friday 8 March 2019. Numbers are limited and will be issued on a first come basis.

Yours faithfully

Mrs J Matthews
Computing Coordinator

I give permission for my child to attend the Code Club which will begin on Monday 11 March.
