

LO: To describe the setting
from the story.

Day 4 – Thursday 26th March

Please go to the following Youtube video and listen to the book.

<https://www.youtube.com/watch?v=lr107eJwFyU>

DJPA Assembly Stories Episode 4 - "SuperTato - Veggies Assemble"

Ask your children to look think about where the veggies are? What do supermarkets look like? Are there different sections inside the supermarket?

Look at these pictures of the supermarket.

What can you see?

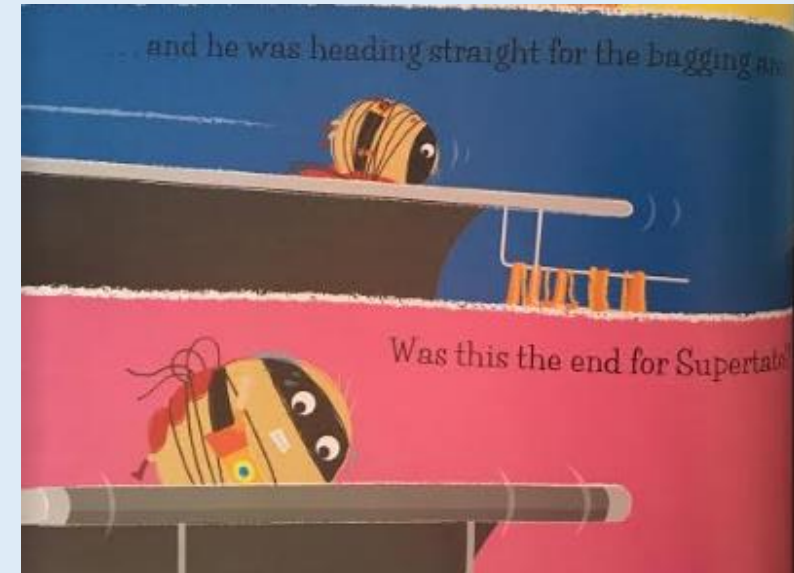

Think about other things in Supermarkets you've seen?

How would you feel or the fridges feel?

Can you smell anything when you walk through Supermarkets?

Please turn to day 4 in your literacy book and have children complete their task for the day. There is an example on the next page of what your children's work might look like.

The freezers are icy and cold. There are lots of

colourful fruits and veggies on the shelves.

Encourage children to write as much as they can about the setting. Go back to the pictures to help prompt their ideas.
