

## KAL School Swimming Service

Statistics for the Year – 4 (Year of Statistics 2020/21) To March

Name of School Warwick Road

Pool attended Dewsbury Sports Centre

To assist you in your requirement to complete the “Evidencing the impact of your Primary PE and Sport Premium – Website Reporting Tool” Please see below your statistics for your pupils for year 4 2020/21 – You will appreciate that some schools have a target year of Year 3 or Year 4 so could be significantly out of date ie pupils who have learnt to swim since or pupils who just achieved the attainment target but have not been in a pool since and as they have left your school difficult to determine this year – this will be the same nationally but something to consider for the future.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	17%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	0%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	0%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	No
