

**KAL School Swimming Service
Statistics for the Swimming Year Group 2020/21**

Name of School: Warwick Road (Girls) **Target Year Group:** 4

Pool attended: Batley Baths

To assist you in your requirement to complete the “Evidencing the impact of your Primary PE and Sport Premium – Website Reporting Tool” Please see below your statistics for your Year 4 pupils for 20/21 – You will appreciate that some schools have a target year of Year 3 or Year 4 so could be significantly out of date ie pupils who have learnt to swim since or pupils who just achieved the attainment target but have not been in a pool since and as they have left your school difficult to determine this year – this will be the same nationally but something to consider for the future.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	0%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	0%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	0%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
