

## Sports Funding 2019-2020 Impact

For the 2019/20 academic year, the school received a further £18,800 in Sports Premium. This was used to:

- Offer pupils the opportunity to try various sporting activities through coaches and competitions
- Providing transport to various sporting competitions
- Improve/replace outdated resources
- Encourage the development of healthy active lifestyles
- Recognised on track for 'Gold School Games Award'

### Extra-curricular clubs

**Girls Only:** dance, football, rounders

**Key Stage 1:** Bat and ball, multi-skills

**Key Stage 2:** Multi-skills, archery, boxing, dodgeball, football,

### In school activities

- Balance bikes (Reception)
- 'All Stars Cricket', 'Asylum Cricket' & 'Mr K Cricket'
- ABC's (Year 1)
- Dance mats
- Bike Ability (Year 5)
- In-house Leadership Training (Year 5)
- Sports Relief 2020
- 

### Out of school activities

This shows a 3 year trend of the increase in sports opportunities, and if Covid-19 hadn't closed schools we would still be on track to broaden the opportunities available.

2017-18	2018-19	2019-2020 (Autumn- Spring)
Football (non-competitive)	KS2 girls and boys football (tournaments, non-competitive and premier league)	Boccia (competition for SEND)
Year 4 'Mission Active'	Sports hall athletics (for all years)	KS2 girls and boys football (tournaments, non-competitive and premier league)
Sports Hall Athletics	Sports leader training	Dodgeball (Year 3 and 4)
	KS2 boys and girls cricket	Sports hall athletics (for all years)
	Year 4 'Mission Active'	Netball (tournament and non-competitive)

	Netball (tournament and non-competitive)	Orienteering (KS2)
	Cross country	Multi-Skills festival)
	Orienteering	Cross Country (KS2)
	School sports day at Batley Cricket Club	Year 5 and 6 Sports Leader Training
	Hockey Tournament	
	PE festivals (all years & Change 4 Life festival& Come and Try)	

The impact within this provision has been:

- Increased participation in extra-curricular activities, with children taking a wider interest in sport generally(50% of children in Key Stage 2). This has been commented on through pupil questionnaires, dialogue with lunchtime supervisors. Additionally, a school register has been kept throughout the year. Dance Club is very popular amongst the girls where we had over 40 children attend each week.
- More children achieving GDS in weekly PE lessons. Children have had the opportunity to compete against each other in house competitions and other schools. This is now clear to see with a new assessment that has been put in place specifically for our school.
- Increased school links with other primary schools and sport clubs.
- A positive attitude and behaviour towards sport. Children clearly demonstrate the six School Games values:  
Respect,  
Passion,  
Self-Belief,  
Determination,  
Honesty,  
Teamwork
- Furthermore, children are learning to show 'sportsmanship' qualities when competing in all interschool tournaments.
- Staff have participated in CPD training:  
Bike Ability – Balance Bikes and Pobble Training (linking English and PE) and attending Yorkshire PE and Wellbeing Conference. In addition, all staff have had CPD during school meeting time.

- Children have been encouraged to lead a healthy active lifestyle within school by selling sugar smart snacks at our daily tuck shop. During break times and lunchtimes, children are encouraged to participate in the clubs available and join in with activities provided by the young leaders/the lunchtime supervisors.
- During PE lessons, children have the opportunity to discuss the benefits of exercise and have established a positive relationship with physical activity. We have developed the link further by completing assemblies where the focus has been on PE, healthy bodies and healthy minds. Warwick Road has also led Parent Meetings to discuss the impact that a healthy active lifestyle can have on wellbeing.
- The sports premium has allowed us to transport children to and from different competitions. We have put in place different strategies to improve the quality of teaching and learning with some staff attending CPD events. In order to engage as many children as possible in extra-curricular activities, we used the sports premium to purchase high quality external coaches: Avolve Wellbeing and Legacy Ride.
- Worked with the SENDCo to develop SPACE playground, bought a range of equipment that is specific to the children's needs. This has not yet been introduced and will be something that we need to evaluate the impact in autumn 2020.
- Bought a new scheme for PE, 'The Power of PE'. This has helped teachers with their understanding of different sports and how to progress each lesson and shows clear development of skills for year.
- Warwick Road has been nominated for the Yorkshire PE Award.

We aim to continue to develop all aspects of PE within school life. We will continue to provide a balanced PE Curriculum to enable and encourage pupils to adopt a healthy lifestyle and to find a sport that they will enjoy. In addition, we aim to work alongside external agencies and skilled teachers to enhance teaching skills.
