Dates for your diary

I would like to wish all our Muslim families Ramadhan Mubarak and a peaceful and harmonious Ramadhan. You will note from my previous Ramadhan newsletters that children should not fast unless it is obligatory, the fasts are very long and children do not manage as well as adults. We encourage our children to participate in the Ramadhan spirit in other ways; being helpful, kind and praying Quran at home. The school has allocated a training day and a disaggregated day for Eid; therefore school will be closed for children on 13th and 14th May – if the start of Ramadhan alters then these days may vary – I will keep parents updated.

SATs this year for Y6 and Y2 have been cancelled; therefore, assessments for these year groups will take place at the same time as other year groups. Due to lockdown, Spring assessments will take place the week beginning May 3rd; so far, the assessment data I have received from teachers has painted a positive picture around the learning that took place over Google Classroom; it has been noted that children have retained a large proportion of the learning – I would like to extend my gratitude to parents who worked so hard with their children over lockdown. I have been encouraged by the data and feel very optimistic that the school will have caught up on most of the English and maths learning by July 2021.

Headteacher | Mrs S Qureshi

Warwick Road Primary School
Warwick Road, Batley,
West Yorkshire, WF17 6BS

Swimming lessons are due to resume this week, it has been decided that Y4 boys will go swimming this ½ term with the girls swimming the last ½ term of the school.

Mrs Katharada has now left to go on maternity leave and will be replaced with Mrs Rumney, who is returning from maternity leave - we would like to wish Mrs Katharada all the best from the staff and children at Warwick Road School.

At the end of the last ½ term the school was awarded 'The Wellbeing Award for School', this means that the school places the wellbeing of all its stakeholders at the heart of everything it does. The school has worked really hard to achieve this award and I am sure you will be very proud of this achievement.
