

## Warwick Road Primary School

### Promoting Safe and Sustainable Travel to School

Our aim is for every child and young person to walk, cycle or scoot safely, especially to and from school.

## Walking

Walking to school is a great way to start your day! It gives you time and space to plan your day and you arrive at school feeling energised.

Walking is the easiest way for most people to build more activity into their day, benefiting their physical and mental health. By walking to school, you'll be helping improve the air quality and congestion around the school gates.

## Park & Stride

Parking away from school is ideal for those who live too far away from school to walk or who need to continue their journey to work or another school.

Please use the zone map to park away from school and walk the 5/10/15 minutes to help keep our school run safer.

## Little reminder for all road users

Where there is a pavement or footway, use it.

If you are looking after somebody younger than you, always hold their hand when using the road.

Fluorescent materials are good. They show up in daylight and at dusk.

Reflective materials are good at night.

## Our aims

Kirklees Council and Warwick Road Primary School are committed to promoting active and sustainable travel to and from school.

It's proven that students who do some form of exercise before school do better in class because they arrive refreshed and ready to learn.

Walking to school is good for your health and mental wellbeing, plus, you'll be helping to reduce traffic and pollution near your school.

First find a safe place to cross.

Stop just before you get to the kerb.

Look all around for traffic and listen.

If traffic is coming, let it pass.

When it is safe, go straight across the road – do not run.

## Road Safety Reminder

Drivers should not park near a school entrance.

Yellow zig-zag lines indicate where stopping or waiting is strictly prohibited.

Stopping or waiting on a double yellow line is strictly prohibited.

Do not park across driveways, on corners, or on the pavement.
