January 2022

House DISCOVERY

House ENDEAVOUR

House ENTERPRISE

House INTREPID

Dear parents and carers,

We hope you have had a relaxing break and that your families are well. The Warwick Road staff and Governors are looking forward to welcoming all of our children back into school. We have worked hard to ensure the school is ready and as safe as possible.

The new Omicron variant of Covid is easily transmissible and we are seeing growing numbers of people infected. Therefore, we must ensure we take added precautions to ensure our children and staff are kept safe.

From Tuesday 4th of January:

- Parents will not be allowed in school; meetings with parents will be held virtually.
- Parents will not be allowed entry onto school premises without a face mask, unless they are exempt.
- Where a family member (same household) tests positive for Covid, the child must take a daily lateral flow test before the child comes into school.
- All staff and children will be asked to sanitise hands regularly.
- Classes will be wiped down with antibacterial sprays twice a day.
- If we are unable to cover classes due to staff shortages, then those affected classes will be sent home. Online learning will be provided but this may not be teacher led.
- Toddler group will be cancelled until further notice.

If your child tests positive for Covid, online learning will be provided. Please ensure devices are set up and ready to access online learning – please note, it is the responsibility of parents to ensure devices are ready for online learning.

We look forward to seeing the children on January 4th. As always, we will do our very best to ensure we keep our children safe and we will find ways of ensuring our children continue to make progress in their learning. Please speak to phase leaders or teachers if there is anything that school can help you with. It is important that we all work together to ensure we give our children the very best chances of succeeding in this pandemic.
